

# Background Checks For Sport Organizations

Sport organizations face unique challenges because of the types of people they screen and the seasonality of sports.

We help you cut the red tape and work through a high-volume of applicants quickly.

This is achieved through modernizing and centralizing your background checks and ensuring you are obtaining the right checks for the right roles (e.g. criminal record checks) using our convenient and secure online background check portal.

## Group Plans For Sport Organizations

### HOW IT WORKS

 Open an account with **TRITON**. \*Free set-up

 We offer **commercial group** rate pricing. \*Pay per use

 Access our complete range of online background checks through our portal 24-7. \*including criminal record checks and social media background checks

 **You can pay**, we can set-up your account so that the **applicant pays**, or a **combination of both** depending on the types of roles you are filling.
